

COVID-19 ANNOUNCEMENT 12/03/2020

Dear friends, guests and colleagues,

In light of recent events, we - Amass and Broaden & Build - have gathered and discussed, and here's what we've decided as a group. For now, we remain open while we continue to monitor and assess the situation. We are of course taking extra precautions by following government issued guidelines to ensure the safety of our guests and staff. Your time and experience with us is incredibly important. With that said, your safety, and the safety of our staff, is more important. We remain open to welcome you but are flexible and understand if you choose to postpone your time with us.

Specifically for Amass, this means

- Our opening hours will remain the same, but we will limit the amount of bookings we accept and we ask that you do not show up without a reservation.
- We are making sure there's ample space between tables.
- Hygiene is always a top priority, but we will be taking extra measures to ensure public safety.
- Beef Dinner will go ahead as planned.
- Blackout Dinner will be postponed until a later date.

If you have any questions, please give us a call or write us an e-mail.

Even during these uncertain times, we still look forward to welcoming you!
